Need new patients? Want more referrals? Need to meet more practice administrators in the area?

Make attending this Practice Administrative Members event a priority! It's fast. It's easy. It's Speed Referral Development!

Bring lots of referral packets and business cards to give to your new contacts! Just like in "speed dating," you will move from one medical practice staff person to another. You will meet a new person every five minutes who works in practices throughout this area - all working toward the same goal - being more successful in Montgomery County.

If you aren't sure if you are a Practice Admin member, email Anu at asetlur@montgomerymedicine.org or call 301.921.4300. If you are not a member, submit your application and membership dues of \$75 today. For an application, go to <http://montgomerymedicine.org/docs/OM%20Application.pdf>. To RSVP, fax back the form or email asetlur@montgomerymedicine.org.
