

Medical Practice Staff

Is this you...everyday?

Is your stress caused by
Reimbursement Headaches?
Budgeting Woes?
Employee Hassles?

Do you need more information and education to deal with these issues effectively? Become a practice administrative member of Montgomery County Medical Society and let us help you reduce your stress!

You will receive the following benefits:

- Monthly Practice Management Updates on Topics of Importance to You and Your Practice, like Highmark Transition, Medicare audits, and coming soon, coding training
- Email and Faxed News to keep you up-to-date on critical issues
- Immediate access to MCMS/MedChi staff to help answer your practice reimbursement and legal questions
- Access to MCMS' website which includes events, educational opportunities, articles and presentations to help you learn how to run your practice more effectively
- Invitations to MCMS member events including general membership meetings
- Networking with other practice administrative staff to share best practices
- Access to members' only discounts from an array of MCMS partners
- Access to the best advice and education from MCMS corporate partners
- Invitation to the greatest annual medical practice trade show in the D.C. area
- Invitation to the annual practice management retreat
- Access to Lunch & Learn Roadshows at area hospitals, and more...
