Bring lots of referral packets and business cards to give to your new contacts! Just like in "speed dating," you will move from one physician to another. You will meet a new doctor every five minutes who practices in this area - all working toward the same goal - being more successful in Montgomery County & the D.C. metropolitan region!

If you aren't sure if you are a Young Physician member, email Anu at asetlur@montgomerymedicine.org or call 301.921.4300. If you are not a member, submit your application and membership dues today. For an application, go to www.montgomerymedicine.org. To RSVP, fax back the form or email asetlur@montgomerymedicine.org.
