

# Young Physicians' Progressive Networking Night

## What is *Progressive Networking*?

Visiting three practices of MCMS young physician members in three different specialties in two hours! Learn best practices used in these medical offices, what makes their practices unique, & borrow ideas you can implement immediately in your own practice! Come enjoy networking with your young physician colleagues, and leave a little more informed about medicine, marketing & wine!

**5454 Wisconsin Avenue - Barlow Building**

*Discounted Parking Available behind Clyde's and in the Barlow Building  
(entrance behind the building)*

## 1<sup>st</sup> Stop Suite 600
